"Steve Ballmer and I extend to you our most sincere thanks for joining us at the first Microsoft Global Accounts Summit in the Hague. Your participation contributed to its success. I especially appreciate your joining us at very short notice and for delivering such an insightful keynote addressI don't think I have to tell you that your session was very well received. Every person in that room was glued to what you had to say. It was truly riveting, and I know you received very high marks from the audience. You were a life-saver for our event and added great value to the topic. We would like to say thank you again for your flexibility. It was truly a pleasure working with you. We will keep our eyes open for the opportunity to work together in the future"

— Vice President Global Accounts Microsoft

"I want to express my sincere thanks for your extraordinary performance. Listening to you was informative, surprising and very entertaining. But more than that, your ideas and views gave us a sustainable perspective."
